

# Singles holidays in the UK Europe and Worldwide

Your holiday means the world to us!

# welcome

## to the Singles Holiday Club

Whether you're single, divorced, separated or widowed - travelling alone can be a daunting prospect. Searching the internet for flights, negotiating the airport maze, staying alone in a foreign hotel - and eating alone - can be no fun at all. And paying a single supplement on top can be tough.

Sometimes organising everything yourself can seem like too much trouble!

That's why our collection of tours has been created especially for the single traveller - allowing you to really relax and enjoy your precious time away.

“ You are so friendly and encouraging – I wouldn't book a singles holiday with anyone else. ”

## good company

The beauty about holidaying with us is that you'll be in such good company – mixing with other friendly single people. It's great to share the sights and adventures with others and then to re-live the experiences later in the day over

dinner or drinks. Whether you're a seasoned traveller or just a beginner, we can open new doors for you - be it making new friends, trying a new activity or simply gaining the confidence to travel as a single person.

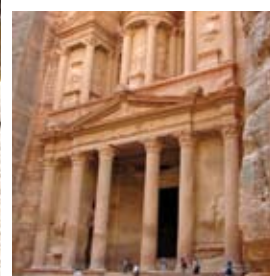

## new destinations

There is something for everyone, regardless of age, taste and budget in our range of holidays.

We know some of you can't wait to lace up your hiking boots and trek the Inca Trail, while others seek a 24-hour whirl of entertainment, shopping, nightlife and boutique hotels.

With the Singles Holiday Club you can explore Europe and the World – discovering capital cities, idyllic towns or unspoilt locations. And as we build more inclusions into the tour price – adding value to your holiday - there really is a world of adventure waiting for you!

# no single supplements

Our hotels are good quality with ensuite facilities and are usually located close to the centre of the town so you won't have extra travelling costs. You'll stay in your own room with no single supplement to pay, and there are free transfers

between the airport and your hotel on arrival and departure. Breakfast is included plus some lunches or dinners - often at local restaurants - but we also include free time for you to eat out where you want, when you want.

“ I've always wanted to go on a singles holiday but was unsure about who to approach or trust – you have made my holiday plans come to life ”

## diverse food

One of the great thrills of travel is sampling the local cuisine and discovering new tastes and flavours so why not try something you've never tasted, or better still – never heard of!

With the Singles Holiday Club the fun of dining out is all about sharing - forkfuls, stories, bottles of wine - it's about gathering to share experiences.

Our holidays give you plenty of opportunity to feast on the delicacies of the region, whether that's with the meals included in the tour or when you branch out and discover your own culinary gems at the local restaurants.

## see and do

From gentle walks to river cruises, our tour guides ensure that wherever you travel you'll see more of the local sights and highlights. We plan a great programme of excursions to include the must-see's and the must-do's - all designed to give you the best mix of cultural and social fun.

But we know you'll also want to do your own thing occasionally, so there's always plenty of spare time to explore on your own - or just chill out your own way.

With us you can be as active or relaxed as you like!

# your travel companions

On our holidays you'll meet friendly single people of all ages and backgrounds - with a wide range of interests. It's a great way of meeting new people and making new friends because there are always other people to socialise with.

Our tour manager will meet you at the airport and with our local agents and guides will be available throughout your holiday to provide you with assistance and information.

They'll be on hand to ensure your holiday runs as smoothly as possible, as well as promoting a relaxed and sociable atmosphere within the group.

We're not a dating or introduction service - so there's no pressure to be looking for romance or a partner. But hey, you will be making new friends - having a great time - so who knows what may happen?

“ You're great - friendly singles holidays with really well-planned and varied excursions ”

We've teamed up with some top-class travel partners to bring you a wide range of holidays - and as our itineraries are unique, you won't find these tours on the internet or in
